

DIGIPEN INSTITUTE OF TECHNOLOGY

@ Gariboo Hill Secondary

PROGRAM BENEFITS

- BC is recognized as an international digital entertainment centre for console and mobile game production, and app design. As a result, video game production companies including EA Sports, Capcom, Black Tusk Studios, Relic Entertainment, United Front Games have strategically chosen locations in Metro Vancouver and employment opportunities in this industry are expanding.
- DigiPen courses provide students with an opportunity to participate in the curriculum of a recognized video game university (DigiPen) while gaining valuable experience in hands on game creation.
- Cross Curricular connections will include Math, Geometry, Physics, Computer Science and the Arts.
- Earn elective credits in grades 10, and 12.
