

intentionally of our school community. Together, we have created a safe and inclusive environment for all. These values are reflected in the look and feel like. This commitment has been shared with all members of the Burnaby community, including those who identify as members of the 2SLGBTQIA+ community. For this we are beyond grateful.

We have learned that celebrating and honouring the diversity in our School District fosters belonging.

To the 2SLGBTQIA+ community within and beyond the Burnaby School District, we see you and we support you. We are dedicated to making our School District a place where you can thrive academically, socially and emotionally. We appreciate you and your contributions to making our School District a better place for all.
